

MUSEUM MENTOR REFERENCE FORM

Applicants: You will need to submit two forms. One form must be filled out by a teacher. The other form must be filled out by another adult who is not a relative—a coach, a neighbor, or perhaps a religious instructor. Completed forms must be submitted together to the Museum before Friday, June 22 to be considered.

Adults: The Summer Mentorship Program at The Children's Museum in Easton provides meaningful opportunities for students in grades 6-8 to further develop their leadership and communication skills, and gain experience working with adults and children of all ages. They fill an essential role in serving the Museum's mission to inspire active learning through discovery and exploration. We look for energetic students who want to work — and play! — in a fun environment! Thank you for your valued insight!
